

Compassionate Knitting

A new year. A new youth ministry.

Starting in January, join the young people at Presbyterian Church in Sudbury as they discover the joy of knitting—and in particular, the joy of knitting for others. The scarves and shawls we create will warm the body and the soul—of both the knitter and the recipient.

Who: Any junior high or high school student—and their interested friends. Plus, we welcome knitters of all ages to come as well. Something warm and wonderful happens when knitters—and those soon-to-be-knitters—join forces.

What: Knitting gifts of love for those in need

Times: Second Tuesdays of every month—Starting Tuesday, January 14, 2014, 7:00–8:15 p.m.

Where: The Chapel (upstairs as PCIS)

How: “I don’t know how to knit. Now what?” Come anyway. Needles, yarn, and instructions will be provided. A little practice—you’ll be on your way.

Note from Rose: Please email a quick RSVP to me at rosedeboer@gmail.com so that I can have enough yarn and knitting needles on hand. Friends are welcome, just let me know how many so I can plan. (It’s really fun to knit with friends!)

If you’re coming to work on your own projects, no need to RSVP. Bring your projects and join us.

Looking forward to seeing you!
