

Nuance USB headset microphone

The Dragon USB headset delivers superior audio input for use with Dragon NaturallySpeaking. A noise-cancelling microphone enhances speech accuracy while the USB-enhanced digital sound ensures consistent audio quality every time. The adjustable single earphone design fits left- or right-side and lets you tune in to your PC while remaining in touch with your surroundings.

Features

- USB-enhanced digital sound quality
- Noise-cancelling microphone (Model number HS-GEN-24)
- Adjustable boom for precise positioning of the microphone
