Dear LSSC Scholarship Applicant,

Thank you for your interest in our scholarship program. **Please read this entire letter carefully so that you understand our scholarship process and steps.**

Recognizing that our community and communities like ours across the state have a significant shortage of excellent and affordable childcare, the LSSC will welcome all families and uniquely strive to make this resource affordable for all. Each year we work very hard to raise funds specifically to assist families in financial need. Scholarships typically range from 10% to 65% of the annual tuition. If your family makes \$50,000 or less per year (family of four or a single parent) you likely qualify for scholarship. To learn more or if you have any questions, please contact Trudi Garing at 996-2801.

Please also note: Little Star also accepts DSHS payments. To learn more about whether you qualify for DSHS, please call Room One at 997-2050. Room One can also help you fill out the registration and scholarship application.

To apply for Little Star's scholarship program please complete the online application on the FAST website:
<https://www.ismfast.com/FastPage.php?id=6ceafc3a82afb9aac5ca7a74d74d41d3>.

In order to be considered for a financial scholarship award, you must complete the online application by July 15th, 2017. Applications received after the deadline will be subject to our scholarship waitlist.

In addition to the online application, two documents are attached: A Personal Statement to include with your online scholarship request (optional) and the Application Agreement (required) for you to sign.

If you have any questions about the scholarship application process, please stop by the office.
Thank you.

Sincerely,

The Little Star Scholarship Committee
