Dear Steve,

Both Detsy Abramson and I would like to thank you, very sincerely, for the skillful blending of voice and photography, you put together for the video CD for the Alzheimer's and Dementia Alliance walk on September 28, 2013.

We did share it on "you tube" with family and friends, so it has gone "viral."

The response has been outstanding! People who have not been involved in the past, have been motivated to come forward and donate. People who have participated in the past, have said they are now more inspired than ever to continue their involvement both in the actual walk and funding.

I am confident this will be another successful event for the Alliance (and Team Plotner).

Great Appreciation,  
Hal Plotner
