

Welcome to Fog City Stomp 2017! Each year we grow in purpose, and we welcome you on this journey, whether it's your first year or your fifth. We strive to motivate continued learning in both Lindy Hop and Solo Jazz; we host competitions to provide a platform for dancers to present their hard work; and we gather incredibly talented bands, musicians, and DJs to inspire your dancing each night. As you grow your connection to artistry & technique, we challenge you to also grow your connection to the other humans around you. Each one of you, of all genders, identities, and abilities, are what make our community special. We are so pleased that you're here with us!

— The Fog City Stomp team & staff
