The 2020 STEM Forward Scholarship Application

For Southeastern Wisconsin High School Seniors
Application Deadline: Wednesday, April 17, 2020

STEM Forward will award one deserving, high school senior a $2,500 scholarship to pursue a program in science, technology, engineering and/or math (STEM) at a two- or four-year Wisconsin technical college or university. The winner will be announced before May 31, 2020.

Qualified applicants **MUST** meet the following criteria:

- Be a graduating high school senior, residing in the Milwaukee 7. (Milwaukee, Waukesha, Ozaukee, Washington, Racine, Kenosha or Walworth counties)
- Have a 3.0 GPA or higher.
- Attend a Wisconsin two-year or four-year technical college or university in the fall of 2020, and pursue a STEM program.
- Your school and/or school district must participate in at least one STEM Forward program (Ex: Future City Competition, Day of Engineering, Rube Goldberg Machine Contest) for the past two years OR you must have participated in one STEM Forward program in the past. [Visit the website to view a list of eligible districts and/or schools.](http://www.stemforward.org)
- You cannot be a child of a STEM Forward board member and/or staff member.
- References must be submitted and at least one of your listed references must be a STEM teacher or mentor. STEM Forward will be contacting references of selected finalists.

**Apply by April 17, 2020 at**
