Inspiring a Future-Ready STEM Workforce

To be eligible for STEM Forward’s $2,500 scholarship, the applicant must meet the following criteria:

- Be a graduating high school senior, residing in the Milwaukee 7. (Milwaukee, Waukesha, Ozaukee, Washington, Racine, Kenosha or Walworth counties)
- Have a 3.0 GPA or higher.
- Attend a Wisconsin two-year or four-year technical college or university in the fall of 2020, and pursue a STEM program.
- Applicants cannot be a child of a STEM Forward board member and/or staff member.
- The applicant’s school and/or school district must participate in at least one STEM Forward program in the past two years (See list below), or the applicant personally participated in at least one STEM Forward program in the past. This includes STEM Forward’s WI Regional Future City Competition, Rube Goldberg Machine Contest and Day of STEM program.

The following districts and/or schools have participated in STEM Forward programs in the past two years. Students attending (or have attended, if a grade school) these districts and/or schools are eligible for the scholarship:
