

Marmoset is seeking a Production Intern for the Original Music Team

This internship opportunity requires someone with experience and a strong interest in learning about music composition, production and the art of putting music to picture. The ideal candidate is highly personable, detail-oriented and can easily adapt and learn new skills.

In this role, you will shadow the Original Music team, sitting in on projects from start to finish -- from initial briefs to archiving a project upon completion. This includes a mix of creative and administrative projects and tasks. In addition to assisting with client-facing projects, a big portion of the role will focus on assisting with the behind-the-scenes operation of the department in a variety of tasks.

You

Basics: A strong interest in growing your music production experience and in developing new systems and processes. You have at least 1 year of experience in music production and recording. You have proficiency in a DAW (Pro Tools or Logic preferred). You like to have fun and want to be part of a killer team.

Personality: You're a people person. Upbeat and willing to jump in wherever you're needed. You're both analytical and creative-minded. You geek out when it comes to research, and don't mind rolling your sleeves up and analyzing music charts and data. With a little guidance, you can run with things and make them your own. You play well with others. You welcome criticism and often seek critical feedback.

Abilities: Strong attention to detail, organized, fast learner. You seek out learning opportunities and are proactive. Excellent computer skills including Mac OSX, Pro Tools (or Logic), Google Drive and file management.

Experience: (Required) 1-2 years music production and recording. Proficiency in a digital audio workstation. (Not required, but bonus points) Experience in a professional creative environment. Experience in audio post production, mixing and mastering.

Marmoset

A small-ish Portland, Oregon based creative agency with BIG dreams. Launched in 2010 and slowly, steadily growing.

Small, familial work environment that's fun, offers flexibility and cares deeply about what we do.

It's more than a business. Marmoset is focused on fostering a sustainable community and relationships, supporting and cultivating blue collar, hard-working artists, the art they make and the lives and families they lead.

Marmoset has been recognized as one of the "Fastest Growing Companies in Oregon" and "100 Best Companies to Work for in Oregon."

We work hard and play hard. Occasional 50 hour work weeks are offset with long weekends, unlimited paid time off and tons of flexibility.

Learn more about our culture and values by watching a TED Talk by our Co-Founder, Ryan Wines:
<https://www.youtube.com/watch?v=ZX-wTxC35wo>

Culture: Marmoset fosters a progressive culture and work environment with a high degree of trust, collaboration and level of care that's hard to find.

Pay: This is a paid internship position that offers \$10/hour for 3 days a week or college credit. A 6 month internship timeframe is preferred.

Passion: A passion for learning, meeting new people, maintaining relationships and making a difference in the world is highly recommended. Love of music, film, art and creativity is required.

APPLICATION PROCESS

Please submit a one page resume with a one or two page letter of interest in PDF format, along with 2-3 references and please address the questions below.

In your letter, please be sure to include a statement of purpose (100 words maximum). Tell us your story...What are your superpowers? What's your kryptonite? What do you do for fun? Tell us about your personality. Please include anything that you think might better help us get to know you.

You should elaborate on what makes you a good fit for a role in Original Music at Marmoset. Why are you interested in music production, and specifically how it relates to motion picture? What sort of tools and systems do you use to stay organized? Tell us about your passions and about any other skills you bring to the table.

Most importantly, how do you see yourself making an impact at Marmoset?

The closing date for this position is May 5th, 2017. We will review candidates on a rolling basis as applications are received, so the sooner you apply, the better. Please **carefully follow the application guidelines and questions**. Applications that do not strictly follow the above guidelines may not be considered.
