

U.S. & Canadian Residential Facilities for Victims/Survivors of Sex Trafficking

Compiled by Sold No More

Organizations on this list:

- All have, or will have, a physical facility and provide direct, specialized services to victims/survivors of sex trafficking.
- Provide housing or are in the process of developing a residential program
- May or may not be limited to serving victims of sex trafficking, as some also serve victims of domestic violence, non-commercial sexual abuse, and other forms of abuse
- **Have not been vetted by or endorsed by Sold No More**

This list does not include:

- Residential facilities for domestic violence, substance abuse, or runaway/homeless youth or adults—unless those facilities also have designated beds and programs/services designed for victims/survivors of sex trafficking
- Organizations that provide services/programs for victims/survivors of sex trafficking but do not have a residential treatment program

If you know of residential facilities for victims/survivors of sex trafficking not on this list, please contact Info@SoldNoMore.org
