

# Join Our Edmodo Group

Joining a Group as a Student is easy! All you need to do is get the [Group Code](#) from the Teacher who owns the Group or a co-teacher. Then, follow these simple steps:

If you have a Group Code:

1. Log in at Edmodo.com, and click "Join a Group" on the bottom of the Groups list, on the left of your Edmodo home page.
2. Enter the [Group Code](#) and click "Join." You must get this code from the Teacher who owns the Group or a co-teacher.
3. If the Group Code is unlocked, you'll be added right to the Group! If it's locked, then you'll be added to an [approval queue](#) and must wait for the Teacher or Co-Teacher of the Group to approve your join request.

Please find the School Supply List, Summer Reading List, Project Options, and Rubric, Khan Academy Sign-Up Directions, and any other important information we might need to communicate.

**Your Incoming 6th - Summer 2016-2017 Code is m25tuf**

A screenshot of the Edmodo group interface. The top header is blue with the text "Incoming 6th - summer 2016-2017" and "Mrs. Zimmerman · 5th Grade-6th Grade · All". Below the header are tabs for "Posts", "Folders", and "Members 1", and a "Group Settings" link. On the right side, there is a "Group Code" field containing "m25tuf" and a green "Invite Group Members" button. A large orange arrow points down to the "Group Code" field.
