

# Student's Acceptance Of Indiana Christian Academy's Practical Christian Conduct

Our goal at Indiana Christian Academy is that our students graduate with deep love for God and an understanding of how to live out His Word in their lives. We understand that good Christians may apply biblical truth in different ways, thus it is not our desire to usurp the authority of your home, but we would like to encourage you, as a student, to follow the guidelines of ICA while at school and when representing the school. ICA believes that there are certain areas of conduct that are clearly spelled out by Scripture and affect our daily lives.

- Because of my love for God, I want to please him with my life. So...
  - I will seek to protect my mind and body from negative influences (drugs, alcohol, tobacco usage, immoral behavior) of life and choose my friends carefully. (James 4:4; 1 Corinthians 15:33)
  - I will try to watch things that would not dishonor His Word. I will make choices to view things that appropriate and free from pornographic material. (Psalm 101:3)
  - I will try to listen to things that would not dishonor God's Word. Songs that talk about killing, immoral behavior, drugs, alcohol, or other suggestive topics are inappropriate for the Christian mind. (2 Timothy 2:22)
  - I will seek to have a personal relationship with God. A Christian should want to walk with God.

I understand that is the goal of Indiana Christian Academy is restoration. The above applications of biblical principles and conduct encourage by Indiana Christian Academy and are expected of me as a student. To participate in or discuss at school my participation in the above behaviors, will result in serious discipline measures.
