

UNI Volunteer Opportunities

C.J. DeMille—Volunteer Coordinator

cjdemille@unidetroit.org, 313-451-8380

Parks & Beautification: Join us to keep our parks and outdoor spaces beautiful! Volunteer at an alley clean-up, or help with some gardening at one of UNI's parks. Beautification events happen throughout the year and are updated on our Facebook and web pages. This is a great fit for both individual and group volunteers.

After-school Programs: Help with Harms Homework Help and the All Saints Neighborhood Center After-school Program! Volunteers should enjoy working with kids and feel comfortable helping students with their homework. We prefer volunteers that can make a weekly commitment but can be flexible with schedules. A background clearance must be submitted to UNI before the volunteer begins.

Service at the Center: We're always in need of volunteers to help our neighborhood center running smoothly! Volunteer to do outreach to residents, help at the front desk and assist with various projects at the center.

Events & Outreach: From community meeting, to fundraising events, to year end celebrations, assist with events throughout the year.

Share your skills: Have a skill you'd like to share with our community? We'd love to have you! Host a music clinic to our youth, or prepare a career info session to our Youth Apprentices... the possibilities are endless. A background clearance must be submitted to UNI before the volunteer begins.

Summer 2016 Opportunities

Summer at the Center: Volunteer with our youth summer program as we engage fun activities and field trips during the months of July-August! A background clearance must be submitted to UNI before the volunteer begins.

Southwest Detroit Athletic League: We're in need of coaches and volunteers to help out with our Summer 2016 youth sports leagues. Sign up to coach, assist or coordinate our athletic activities for the kids in our community! A background clearance must be submitted to UNI before the volunteer begins.
