MISSION STATEMENT

To provide the youth of San Diego with an opportunity to study, understand and appreciate, through education and participation, the art of ballet, and to enrich the cultural life of the community.

VALUE STATEMENT

San Diego Civic Youth Ballet believes everyone should have the opportunity to dance. SDCYB strives to cultivate a learning environment based on integrity and trust and one that values diversity amongst its students, faculty, staff and patrons. SDCYB promotes excellence in all endeavors and a spirit of service to the San Diego community through sustainable practices that prioritize a child’s desire to dance over their ability to pay.
LEVEL PLACEMENT AND ADVANCEMENT
in SDCYB’s program is determined by the teaching staff based on physical development, comprehension of technique, and consistency in attendance. Students will be advised in writing by the school when they are to be promoted to the next level. It is common and expected to remain in the same level for a year or more.
