

“Thank you for providing our children a program that **strengthens them both physically and mentally**, exposes them to something we don't have the ability to teach them from our own experience, and **provides them a source of poise they can use throughout their lives.**”

—SDCYB PARENT

SAN DIEGO CIVIC YOUTH BALLET (SDCYB)

We strive to provide the San Diego area with affordable, professional ballet instruction to students of all backgrounds. Instruction begins at age four and continues through the pre-professional level where students train in classical technique as well as pointe, variations and modern. All SDCYB classes are taught by our experienced, professional faculty.

Young artists perform in at least two major productions each year at the historic Casa del Prado Theater, and all SDCYB productions feature professional costumes, lighting, direction, and staging. Students experience the thrill of performing before an audience while learning the practical aspects of the theater.

# 2024 SUMMER CAMPS

LEARN.  
*Grow.*  
PERFORM!

FOUNDED IN 1945, SDCYB HAS BEEN TRAINING AND INSPIRING GENERATIONS OF YOUNG BALLET DANCERS IN BALBOA PARK FOR OVER 75 YEARS!

THE CAMP EXPERIENCE

*Camps begin with a daily ballet class where students are introduced to ballet technique, as well as music and performance.*

*Activities like arts & crafts, jazz classes, performance rehearsals, and field trips to other cultural institutions in Balboa Park make every day of camp an adventure.*

*Each week of camp ends with an in-studio performance for family and friends to see what the young dancers have learned at camp and celebrate their accomplishments.*

THE SDCYB DIFFERENCE

*At San Diego Civic Youth Ballet, all camps have no more than 15 students and are taught by friendly, professional instructors with the assistance of an advanced-level student aide, allowing for individual attention and instruction. It is important to our faculty, staff, and organization that the needs and abilities of all participants are met, and that everyone has a rewarding and positive camp experience.*
