

Press Release

iMessage sticker app 'Stamp Pack' released on the App Store

by Heidi Helen Pilypas
28 September 2016

Illuminated Bits is happy to announce the release of their sticker app 'Stamp Pack' for Apple's iMessage platform. It debuted on the App Store on the 22nd of September, 2016.

About Stamp Pack

Stamp Pack is a fun way to annotate messages and photos with expressive statements in the style of a rubber stamp. Stamps range from "Awesome" to "YOLO". There are over 150 stamps to choose from.
