

Welcome to St. John's Summer Reading Plan!

Together we will be reading the first five books of the Bible, the Pentateuch. Some have called these books the 5 books of Moses, others the Torah, whatever you call them they are a fascinating read!

On average, we will read 3 chapters a day, 5 days a week with a break on Saturdays and Sundays to rest, reflect or do other reading!

We ask that you be purposeful about this. On average, you may need to spend a half hour or so to read and reflect on each days chapters.

You will find on the back of this card a "Reading Guide" to use as a map for our adventure. Tuck it in your Bible or journal.

Here are a few helpful hints to help us prepare for our adventure!

- * *Be Intentional:* It is helpful if you can set aside a particular time to read. You know your habits best, but pick a time and stick to it as well as you can.
- * *Get comfortable:* Find a comfortable chair, or some other place that lets you settle in to read. Whatever you do try to make your reading space as distraction free as you can! (those with children or sloppy spouses... we will understand if this isn't possible!)
- * *Pray:* Ask God to open your mind and your heart to the word.
- * *Read:* Just read, try not to get stuck in the details for now. Remember, this is about seeing the big picture of Scripture. Don't forget to put a checkmark or X in the box when you finish that day's reading or get some gold stars if that helps motivate you!
- * *Reflect:* After you have read, take some time if you can, to reflect, you can: journal, blog, post on social media if you'd like, but the key is to read!

If you have e-mail, Pastor David will send out daily overviews, Prayers and even some links to videos that may help your reading experience. We will gather together several times over the summer to ask questions, discuss and generally mull things over!
