## The Library Chair

An elegant, quiet and refined, yet deeply comfortable chair with a slightly raked back and slim arm. The Library Chair's superb construction is supported by elegantly tapered legs. A separate feather-and-down cushion enhances the fine design, adding the finishing touch to this inviting chair that is equally at home in a classic or contemporary setting

It is an excellent companion to the Settee or Chesterfield.

Cassandra creates furniture and homewares, designed and made in the UK. She works closely with respected English furniture makers and textile craftspeople to make pieces that reflect her quiet and understated aesthetic.

The furniture has been designed to be simple, useful and beautiful. Each piece has been carefully designed to fulfill a role and to be able to move from room to room and home to home, as lives and houses change. The upholstered furniture is made by highly skilled and respected furniture makers, using a combination of the best traditional and modern techniques and materials.

The tables, stools, lamps and accessories are handmade, using a variety of English and European woods. Each piece of wood is individually selected for grain, colour and personality, to create simple and elegant pieces that sit beautifully alongside the upholstered range.
