The Library Sofa

An utterly beautiful sofa. Deep with a slight raked back and slim arms. Elegantly tapered walnut legs and a separate feather and down cushion enhance the refined design. The frame is superbly constructed to create an extremely comfortable sofa that sits beautifully within a classic or contemporary environment.

Cassandra creates furniture and homewares, designed and made in the UK. She works closely with respected English furniture makers and textile craftspeople to make pieces that reflect her quiet and understated aesthetic.

The furniture has been designed to be simple, useful and beautiful. Each piece has been carefully designed to fulfill a role and to be able to move from room to room and home to home, as lives and houses change. The upholstered furniture is made by highly skilled and respected furniture makers, using a combination of the best traditional and modern techniques and materials.

The tables, stools, lamps and accessories are handmade, using a variety of English and European woods. Each piece of wood is individually selected for grain, colour and personality, to create simple and elegant pieces that sit beautifully alongside the upholstered range.

The signature quilts use both new and old fabric sourced from around the world, to create individual quilts that are beautiful and practical.
