The Bench

Our deep and beautifully buttoned bench is a simpler but no less useful version of our daybed and is a very handsome accompaniment to the Sussex sofa and Settee.

Long and wide enough for siestas, daydreams or hangover naps, its also the perfect perch for feet, bottoms or books. Upholstered in our vegetable dyed goatskin or your own fabric and deep buttoned as standard.

Cassandra creates furniture and homewares, designed and made in the UK. She works closely with respected English furniture makers and textile craftspeople to make pieces that reflect her quiet and understated aesthetic.

The furniture has been designed to be simple, useful and beautiful. Each piece has been carefully designed to fulfill a role and to be able to move from room to room and home to home, as lives and houses change. The upholstered furniture is made by highly skilled and respected furniture makers, using a combination of the best traditional and modern techniques and materials.

The tables, stools, lamps and accessories are handmade, using a variety of English and European woods. Each piece of wood is individually selected for grain, colour and personality, to create simple and elegant pieces that sit beautifully alongside the upholstered range.

The signature quilts use both new and old fabric sourced from around the world, to create individual quilts that are beautiful and practical.
