Glen Owen Hultgren

January 26, 1937 - April 7, 2014 Dr. Glen Owen Hultgren, 77, of Berkeley CA, formerly of Glendale, died April 7th at home surrounded by his family. He was born in Boston to the late Dr. Ralph and Mrs. Teresa Hultgren and moved to Berkeley at the age of four, when his father accepted a faculty position at Cal. He attended Cal and then graduated from Caltech with a PhD in chemistry in 1966. Glen spent many years as a nuclear safety engineer at Hanford WA, then as a computer programmer, finishing his career at MacNeal Schwendler Corp. in Eagle Rock. He attended the Throop UU church in Pasadena for many years. Glen is survived by his partner of 31 years, Nancy Palmer, brothers Neilen and Eric, his former wife Diana; five children, Wendy, Holly(Satinder), Matthew, Robin (Lisa) and Jason, and six grandchildren. A private memorial service will be held on July 20th in Berkeley.
