Paul Hayashi

Paul Hideyo Hayashi

DOB: Nov 7, 1928

Paul Hideyo Hayashi died peacefully of natural causes on November 20, 2014. He was born November 7, 1928 in Oakland, CA. He died while residing in Orinda, his home since 1963. He is survived by his sons, James (Cindy), Daniel, Paul Jr. (Frances) and Mathew (Nagisa), grandchildren, Kimberlee, Mathew, Jennifer and Scout and sister, Pat Kondo. He is also survived by his dear friend of 10 years, Marian Nishi. He grew up in Berkeley and got his engineering degree at MIT and masters at CalTech. He was widowed when his wife, Wilma died in 2002 after 49 years of marriage. Paul worked as a mechanical engineer for over 50 years working on several buildings that now define San Francisco's skyline. In lieu of flowers, please make donations to Goodwill Industries of San Francisco where Paul served as a board member. Private services for the family and memorial services to be announced at a later date.
