June 11, 1919 - November 3, 2016

Robert G. "Bob" Bowlus passed away peacefully November 3, 2016 surrounded by his family at his home in Ashland, Ore. He was born June 11, 1919 in Los Angeles, Calif.

Bob was a chemistry professor for more than 30 years at Pasadena City College and at SOU. Bob was a long-time member and former Commodore of the Rogue Yacht Club, and an enthusiastic supporter of Mt. Ashland. He was never happier than when he was on his cross-country or downhill skis or at the helm of a sailboat. He enjoyed teaching these skills to family and friends.

Bob is survived by his children, grandchildren, great-grandchildren, and by numerous nieces, nephews, and dear friends. His beloved wife of 72 years, Gerry passed away in 2011. Bob and Gerry were long-time members of Trinity Episcopal Church of Ashland.

Bob received excellent care from Asante Ashland Home Health, Asante Hospice of Medford, and All Care Home Care. In lieu of flowers, memorial contributions to any of these organizations would be appreciated. No memorial service is planned at this time. The family will gather to remember him at a later date.
I'm sorry but my parents are now both deceased. Please remove me from mailing list.

Thank you.

Robert C. Bowles (BS '41) passed away 11-13-2016 (age 97)

He was a chemical engineer during WWII, and later after getting his Masters, became a Chemistry Professor for 30 years at Pasadena City College. He also taught at Southern Oregon University after retiring to Ashland, Oregon. He and his wife Gerry attended reunions at Caltech up into their eighties.

Inspire, empower, and support the next generation of Techers.
