DAY 2: Saturday 18 November 2017

Golf at Serengeti Golf Club then transfer to Sun City

The Serengeti Golf Club was opened in June 2009, by the iconic golfer and course designer, Jack Nicklaus. Serengeti comprises of an 18 hole course, named Masai Mara, which has a rugged grassland and dune scape look and feel and a 9 hole course, named Whistling Thorn, which features classic design elements and a plains like feel. The Serengeti Golf Club is the first course in Gauteng to use cool season grasses meaning that the course remains lush green throughout the year. There are a number of unique features, such as the challenging par five, 8th hole with its island green.

CHECK-IN: The Palace of the Lost City, Sun City 5* (3 nights)

Sun City is internationally renowned as South Africa's premier holiday resort and it offers a multitude of attractions and activities to keep everyone occupied. With its combination of golf, game and gambling, as well as world class hotels it is a mini Las Vegas in the African bush.

Set among 60 acres of remote South African wilderness, this sprawling complex built in the crater of an extinct volcano is a wonderland destination where opulence in the bush takes on new meaning. The jewel property in the Sun City resort, the Palace boasts interiors with hand-carved walls, bespoke furnishings and ceilings that depict a classic African landscape. Outside, the imitation sea and palm fringe beach, Valley of Waves, includes a 5,600-square-meter wave pool, waterslides, sway bridge and Botanical Garden trails.

DAY 3: Sunday 19 November 2017

Early Morning Safari in the Pilansberg Game Reserve and then golf on Gary Player Golf Course

Gametrackers Outdoor Adventures at Sun City

In the midst of the African bush, there is a place that allows you to experience new adventures, relieve stress and have loads of fun! From quad biking to African drumming, from archery to clay pigeon shooting, you'll be able to spend hours discovering amazing new experiences at the Outdoor Adventure Centre at Sun City, adjacent to the Pilanesberg National Park in the Northwest Province of South Africa.

The Gary Player Country Club – Walking Course

The Gary Player Country Club, designed by Gary Player, is an 18-hole course, with a 5km running trail along the course. Built in an extinct volcanic crater, this immaculate golfing paradise conforms to the stringent US PGA specifications and was recently named South Africa's Best Golf Course in the World Golf Awards 2015. It is also home to the annual Nedbank Golf Challenge which plays host to some of the world's golfing legends. When construction of the Sun City Resort began in 1978, the decision was taken to build a golf course that would rival the best in the world. Today, in spite of stiff competition, the Gary Player Country Club is deservedly ranked as one of the most prestigious golf courses on the African continent.

DAY 4: Monday 20 November 2017

Golf at Lost City in the morning and Safari in the afternoon at Pilansberg Game Reserve

The Lost City Golf Course

Some ten years after the completion of the Gary Player Country Club, the popularity of the Sun City Resort and its many attractions demanded that another golf course be built. Again Gary Player was commissioned to lay out the course, his challenge being to create a very different golfing experience. As with its older twin, the Lost City's course required extensive earthmoving, yet amazingly, the finished product appears to have existed as long as the mythical Lost City. The course defies being bracketed into any particular genre – having touches of mountain, desert and even a brand of African parkland in its makeup.

DAY 5: Tuesday 21 November 2017 - Travel to George

This morning you will check out of your hotel, before transferring by coach to Johannesburg for your onward flight to George.

Suggested Flight: SA1509 Dep: JNB 3:50pm Arr: GRJ 5:40pm

George is the sixth oldest town in the country and although it started as a remote woodcutters' outpost it is now the business centre of the Garden Route. Nestled between the majestic Outeniqua Mountains and Indian Ocean, it's picturesque and lush with a rich and varied history. George is also well-known as an excellent golfing destination.

CHECK-IN: Fancourt Hotel 5* (6 nights)

Positioned on 613 hectares in the magnificent Garden Route, just outside George, Fancourt is South Africa's premier lifestyle estate with mountains, indigenous forests and the warm Indian Ocean in close proximity. This internationally renowned estate features 133 luxury rooms and suites, three Gary Player designed golf courses, a spa, and a variety of excellent restaurants. The hair salon, ladies boutique, two Golf Pro Shops, tennis courts, indoor and outdoor swimming pools, fishing dams and walking trails provide guests with an endless supply of luxurious and exciting entertainment. Fancourt's reputation is internationally esteemed after hosting the Presidents Cup in 2003.

DAY 6: Wednesday 22 November 2017

Mid-Morning Tee-off on SA's No.1 course - Fancourt Links and afternoon at leisure

The Links at Fancourt is without doubt the most impressive piece of golf design and construction ever in South Africa. In 2016, The Links is ranked no.1 in South Africa by Golf Digest and no. 43 in the world by the USA Golf Digest. The Links Golf Course is renowned for their amazing year round condition and attention to detail. Designed by Gary Player and created from a previously flat piece of land, over 700,000 cubic metres of earth was moved in transforming it into a typical Links style. The course presents undulating windswept terrain and dune-style landscape and is the only such course in South Africa.

DAY 7: Thursday 23 November 2017

Mid-Morning Tee off at Oubaai Golf Course and afternoon at leisure

Oubaai Golf Course is proud to be the first Ernie Els signature course in South Africa. The golf course design allows for a challenge to all levels of golfer and is a testimony to the talents of South Africa's favourite golfing son.

Located approximately 10km from George Airport on the coastline of the Garden Route near Herolds Bay, Oubaai Golf Course is a championship layout. It is rated by Els, a two-time winner of the US Open and a British Open title-holder, as one of his favourite courses in the world.

DAY 8: Friday 24 November 2017

Rest day with an optional Safari experience

Garden Route Game Lodge

Set against the backdrop of the majestic Langeberg mountain Range, the Garden Route Game Lodge guards the entrance to South Africa's world famous Garden Route Coast. This malaria free, family owned and operated private game reserve is home to an abundance of animal and birdlife including the Big 5. Visitors to the Garden Route Game Lodge can enjoy game viewing in open Landrovers and a memorable dining experience in one of our African style restaurants.

DAY 9: Saturday 25 November 2017

Mid-Morning Tee off at Pinnacle Point and afternoon to enjoy at leisure

Located near Mossel Bay in the Southern Cape along the Garden Route in South Africa, the Pinnacle Point Golf Course is comparable with the best in the world and truly is a design masterpiece. This 18 hole championship golf course was designed by well-known South African golf course architect Peter Matkovich who opened the course in November 2006 together with top Irish Tour Golf Professional Darren Clarke who was also involved in many aspects of the design. The layout is characterized by 7 majestic holes that line the Indian Ocean rock cliffs, four of which are played over ocean and cliff. All 18 holes have been designed to fit the contours of the land.

DAY 10: Sunday 26 November 2017

Tee-off on SA's No.1 course - Fancourt Links

The Links at Fancourt has often been referred to by Gary Player as his greatest design feat. As such we feel it warrants playing the course twice during our stay at Fancourt. Fancourt owner Dr. Hasso Plattner, who took a very hands-on approach in the creation thereof, commissioned a golf course, which would not only be a thorough test for every golfer, but would also rank among the top courses in the world.

DAY 11: Monday 27 November 2017 - Main Tour Ends - Transfer to George Airport

At more than 2 million hectares the Kruger National Park is one of the world's largest game reserves and a truly remarkable destination. It is home to the Big Five and a wide variety of other animals and birds, which roam freely in their natural habitat. A trip to the Kruger National Park is an unforgettable and potentially life changing experience.

CHECK-IN: Lukimbi Safari Lodge (3 nights)

Lukimbi Safari Lodge is a stunning luxury safari lodge situated in the easily accessible southern portion of the Kruger National Park, South Africa. The main Lukimbi Safari Lodge building welcomes you with its sweeping staircase and artistic fireplace with creatively engraved animals. Their tasteful lounge overlooks the Lwakahle River where animals often come to drink, and the bar nearby has an award-winning wine list and cellar.

DAY 12: Tuesday 28 November 2017

Mid-Morning Tee off on Leopard Creek Country Club, No. 2 in SA

Just across the Crocodile River from the Kruger Park is Leopard Creek Country Club, a luxury private golf estate boasting one of South Africa's finest courses. Innovative architectural and landscaping techniques ensure that the Leopard Creek golf course and living areas are naturally protected from animals, while lakes and small streams have been diverted through the development to create scenic vistas and interesting golf strategies.

Golfing hazards take on a new dimension at Leopard Creek, for much of the water is home to the magnificent creatures for which the river is named, crocodiles. Extensive use has been made of water features and sightings of crocodile, hippo, antelope, buffalo and elephant are commonplace, on the course or in the Kruger Park bordering the course. The 505-meter par-five 13th is one of Leopard Creek's most memorable holes. Here the green is right on the edge of the Crocodile river but 32 meters above the level of the water, offering magnificent views up the river and into the Kruger Park.
