

CALL FOR **Meaningful Places**
PHOTOGRAPHY An iMOCA & Indiana Landmarks Exhibition
July 15 – July 28, 2017

Rapp Family Gallery, Indiana Landmarks Center
1201 Central Avenue, Indianapolis

About the Exhibition Indiana Landmarks and iMOCA want your help to celebrate Hoosier places that have meaning—personal, communal, visual, artistic, historic, natural. We welcome your images of meaningful places, in color or black-and-white.

Indiana Landmarks will host the exhibition in Rapp Family Gallery at Indiana Landmarks Center, a repurposed nineteenth-century church complex at the south edge of the Old Northside.

The exhibition will open to the public on July 15 from 9 a.m. to 3 p.m. during Treasure Hunt, an indoor and outdoor antiques and architectural salvage market on Indiana Landmarks' campus, paired with food trucks and 40+ yard sales in the surrounding Old Northside.

Eligibility Everyone is eligible to submit images of Indiana places they find meaningful, for whatever reason. Participants may submit up to three images for review.

Deadline Submissions must be received by May 15, 2017. Entrants will be notified of acceptance by May 31.

Review & Selection Indiana Landmarks' President Marsh Davis joins iMOCA's Executive Director Paula Katz and Curatorial Associate Maureen Knoble in the review and selection of works for inclusion in Meaningful Places exhibition.

We will contact those whose work is selected by May 31, 2017. Selected works must be framed, with a wire hanger, and may not exceed 30 x 40 inches.

Framed photographs must be received for installation by July 5. Works may be shipped to Indiana Landmarks, 1201 Central Ave, Indianapolis, IN 46202, or hand delivered to the same address from 9 a.m. to 5 p.m., Monday through Friday, between May 8 and May 12, 2017.

About Indiana Landmarks Imagine the places that have meant the most in your life—your first school, the diner where you ate lunch with your mom, that barn, that bridge, the house where you grew up, the courthouse on the square, the mansion you always loved...

These are landmarks: the places that shape our lives and distinguish our communities. Indiana Landmarks saves and repurposes vintage places rather than throwing them away.

We save landmarks because they improve property values, promote tourism, and inject vitality into neighborhoods and business districts. Most of all, Indiana Landmarks saves buildings because they make the places we live more beautiful, more interesting, singular and special.

About iMOCA The Indianapolis Museum of Contemporary Art (iMOCA) shows and advances contemporary art, bringing contemporary exhibitions and programs to stimulate minds, inspire new discoveries, and demonstrate the vital connections between visual culture and life.

Presenting artwork that increases the understanding and appreciation of contemporary visual culture, iMOCA provokes dialogue and encourages the discovery that art is all around us. The museum supports emerging and mid-career artists through innovative exhibitions and audience engagement. Artist talks, workshops and other programming offer unique points of entry into the world of contemporary art.

Exhibition Awards We will award three prizes—\$150, \$100, \$50—plus an annual membership in iMOCA and Indiana Landmarks, to the photographers whose work garners the most votes in a ballot of exhibition visitors.
