

SCRATCH

Start-Up Kit

Create your own interactive character

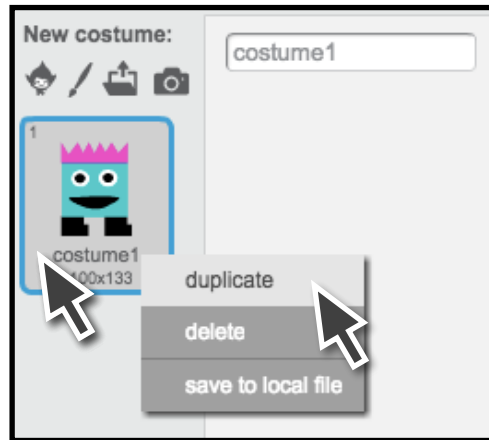

What's your name?

2

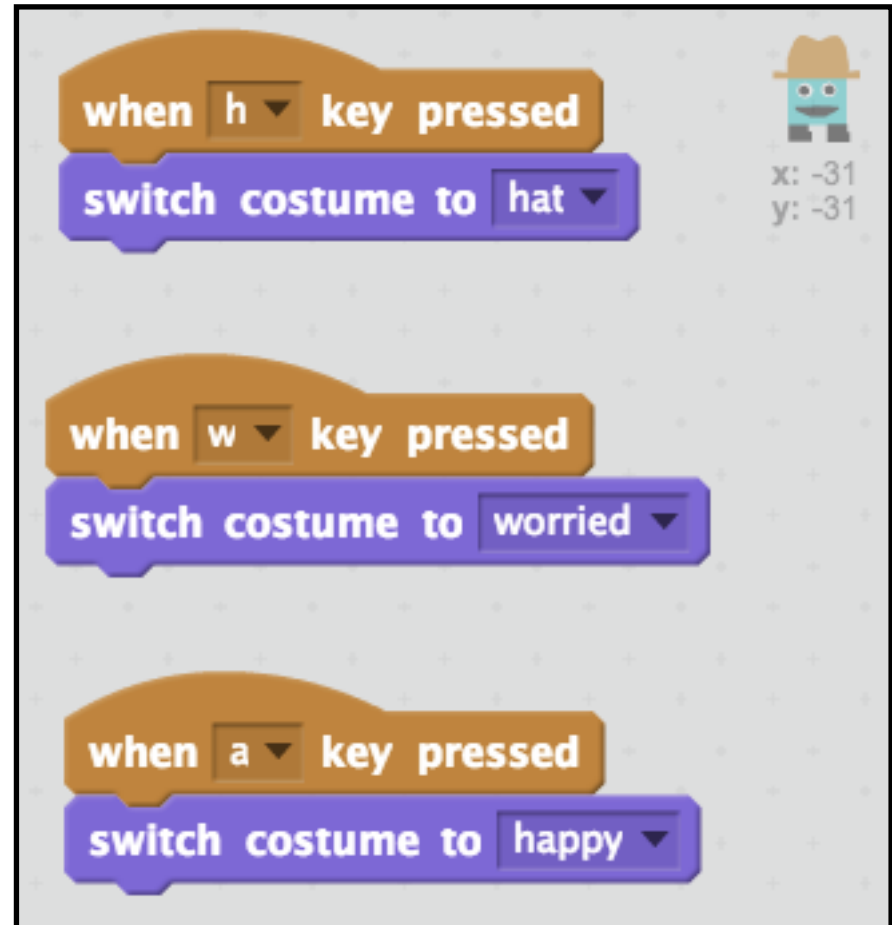

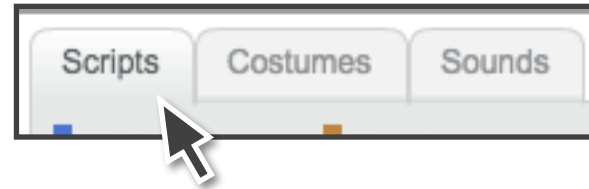

Give sprite more costumes

right click

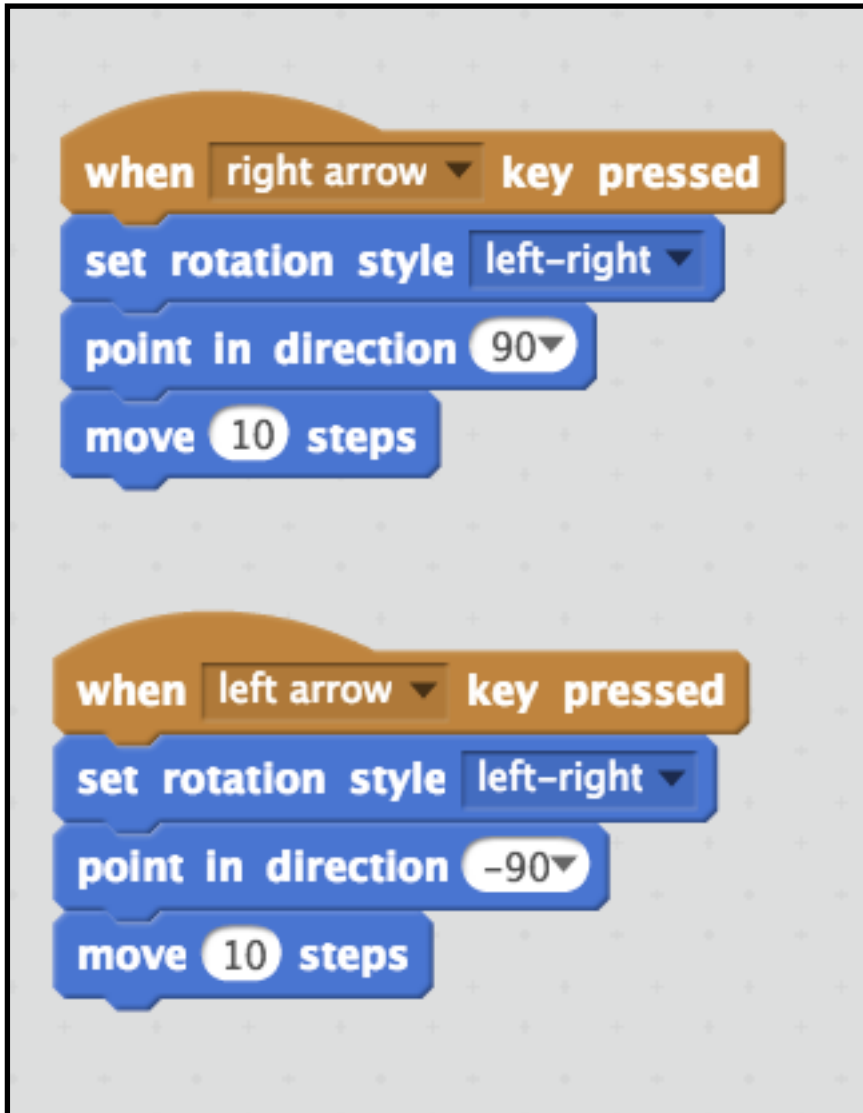

3

Build scripts to make it change

4

Build scripts to make it move

Scratch code blocks for step 4:

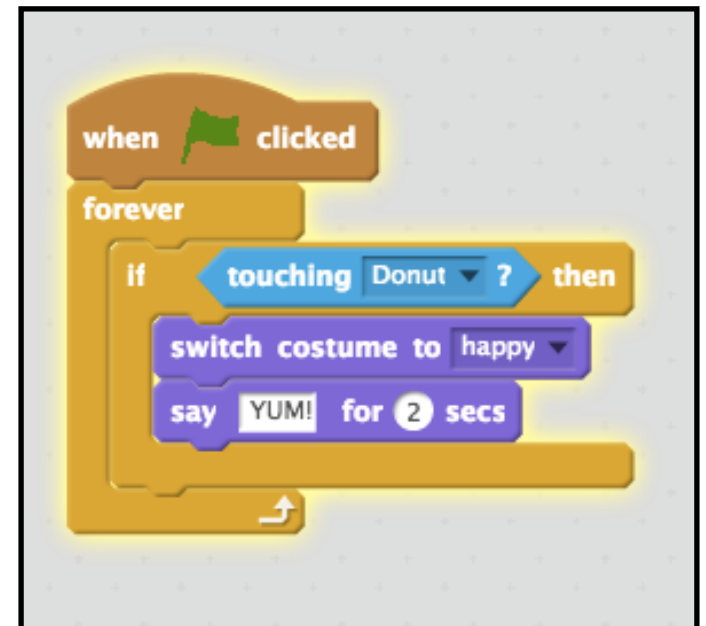

```

when right arrow key pressed
  set rotation style left-right
  point in direction 90
  move 10 steps

when left arrow key pressed
  set rotation style left-right
  point in direction -90
  move 10 steps
  
```

5

Make your sprite react to another sprite

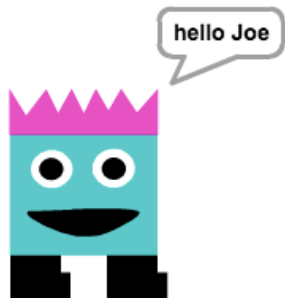

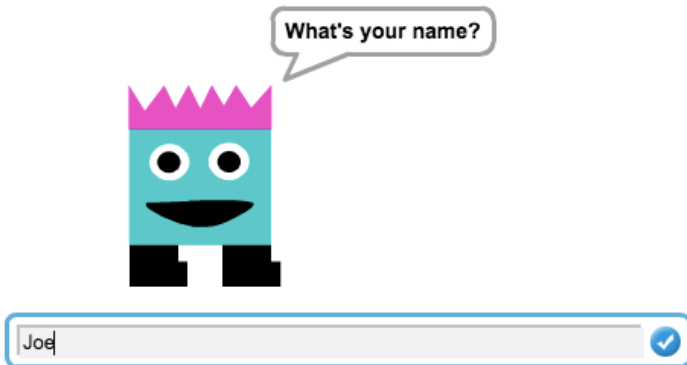

Scratch code blocks for step 5:

```

when clicked
  forever
    if touching Donut ? then
      switch costume to happy
      say YUM! for 2 secs
  
```

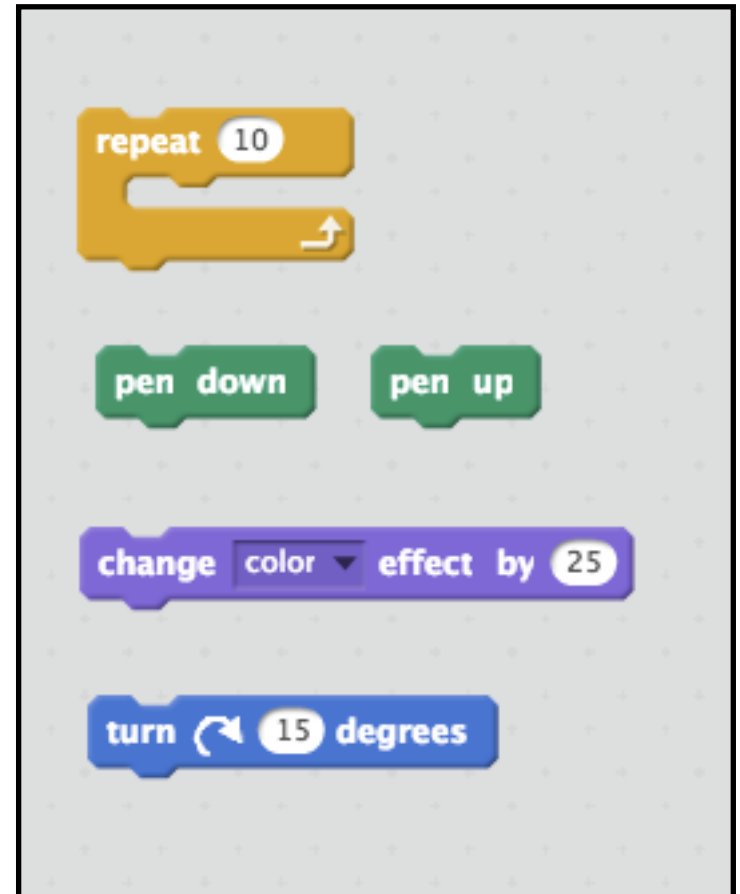

6

Make your sprite talk!

7

Experiment with these blocks

What will you build next?
