## THE BEGINNING

### **The Second City Training Center**

Writing 1-6 // 2014 to 2015

### **Creative Circus**

Copywriting // 2013 to 2014

### **Suffolk University, Boston and Madrid**

Bachelor of Arts // 2007 to 2011

## THE MIDDLE

### **DDB Chicago // January 2014 to Present**

Copywriter for State Farm, Kohler, Skittles, LifeLock, Capital One, McDonald's, Morton Salt and New Business. I also currently hold the record for fastest Big Wheel ride around the 39th floor at :42.

### **Whitehall Tavern // January 2013 to January 2014**

Funded my time at The Circus through sarcastic waitressing. Lack of hydration, incessant sweet tea refills and heavy tray lifting resulted in chronic boob soup and the occasional cankle flair.

### **Guest Service Representative // April 2009 to April 2010**

The customer is always right, the customer is always right, the customer is usually an absolute moron. Also learned the importance of solid arch support.

### **King Kone // July 2006 to August 2010**

Five summers of ice cream cone making magic inside a 10x15 pastel colored castle. We also served tacos.

## THE DREAM

To find my way through life with words in the hopes that one day, maybe even more than one, I'll write something worth reading twice.
