

CMC Timberline is located on the south end of Leadville on Highway 24 South. You'll see a sign on the left hand side if you are coming from the north and on the right if you are coming from the south.

Please see a map of the Timberline Trail System including the frisbee golf course, fitness loop, Nordic ski and hiking trails on the reverse side.

901 US HWY 24 South • Leadville, CO 80461 • 719-486-2015

The Timberline Trail system is open to the public year round. In the winter the trails are groomed for skiers by CMC's Ski Area Operations students. The fitness stations and disk golf course, in addition to spectacular views, make the Timberline Trails a must stop and play destination on any trip to Leadville.
