Self-Binding Baby Blanket & Lovey

Before beginning, prewash the Embrace. Do not iron it flat.

Cutting instructions:

From your Embrace fabric, cut one square 34" x 34"
and 2 smaller squares 16" x 16"

From your Cuddle fabric, cut one square 40" x 40"
and 2 smaller squares 20" x 20"

Blanket Assembly Instructions:

1. Lay your 40" Cuddle square, wrong side up, on a flat surface.
Use a pen to mark a line 2" from the edge on all 4 sides.

(Figure 1)

2. Place your 34" Embrace square right side up in the center of the four lines you marked in the previous step. (Note: the edges of the Embrace will not touch your pen lines.) Pin well.

(Figure 2)

3. On each of the four corners, follow these steps:

Fold your corner so the Cuddle is right sides together and mark a line from where your two pen lines meet; approx. 2 7/8".

(Figure 3)

4. Sew along that line.

5. Carefully trim 1/4" to the right of that line. (Figure 4)

6. Turn your mitered corners right side out and over to the top of the blanket. The Cuddle should overlap the Embrace on the front. Using a zig-zag, serpentine, or straight stitch, secure the Cuddle to the front of your blanket. (Figure 5)

7. Once you are done sewing your Cuddle to the front of your blanket, finish by stitching a square approx 4"x4" in the middle of the blanket. This will keep your Embrace and your Cuddle from separating during use. (Figure 6)

Lovey Instructions:

1. Use your 20" Cuddle square and mark 1.5" from the edges.

2. Place your 16" Embrace square on your Cuddle square.

3. Mark your line approx 2 1/8".

Continue with steps 3-7 from the Blanket Assembly Instructions.
