12 PACK QUILTS

Here at Prairie Point, we're embarking on an exciting new venture to help simplify your quilting experience. Now you can begin making easy fat quarter quilts using the book **12-Pack Quilts: Simple Quilts**

That Start With 12 Fat Quarters by Me and My Sister Designs.

We'll be selling . . . packs of twelve fat quarters to be used in making one of the quilts in the book.

We'll be featuring . . . one new quilt a month, but you won't have to use the same twelve-pack that we did!

You get to choose . . . any pack and any pattern from this fabulous book! Pick out binding and borders if you want, and you're ready to get stitching!

Visit us on Facebook to see new products, fabric, and pictures of quilts made by our customers and staff.

BLOCKS OF THE MONTH

There are so many new Block of the Month programs beginning – one each month for a while! So where do we start?

Tiny Dresdens, beginning in January

Create a mini quilt for each month of the year. Purchase our small stands to hang them and you've got a fun little quilt to decorate your home for every holiday and season! **\$12.50/month.**

Merrie Christmas, beginning in January

This wool applique quilt spells out "C-H-R-I-S-T-M-A-S" and was so popular we decided to repeat it! This wall quilt possesses a charm that could be described as both rustic and elegant at the same time. Most of the letters are made out of wool, but here and there, a bit of velvet is thrown in for a sophisticated look. Very pretty and festive.

\$20/month

Purrfectly Pieced, beginning in February

This one is for all you cat lovers! Have fun with these kitties and their pincushions, balls of yarn, and spools of thread. This applique BOM lasts for 5 months and costs **\$14/month.**

Forest Floor, beginning in March

Wing and a Prayer Designs does it again... rich colors and elegant batiks make this quilt truly stunning. Finishing at 106" square, it makes a fabulous bed quilt.

Each month's kit will be \$23.

Lallybroch Lane, beginning spring 2017

If you came for our Schoolhouse Series last March, you'll remember our guest speaker, Anne Marie Yohnk of Quilts Remembered. We've decided to start her Row of the Month program sometime this spring! Each row incorporates very traditional blocks and reproduction fabrics for a timeless look and feel. The finished quilt will be 62" by 84 1/2". More info to come later!

Also watch for a wool applique BOM by Lori Smith... we're still trying to decide which one!
