

Hapeville Charter Career Academy

A Fulton County Public Charter High School
In partnership with Atlanta Technical College
Jannard D. Rainey, Principal

Dear Parents & Students,

Welcome back to another great school year. We are excited about our new students coming to Hapeville Charter Career Academy as well as the return of our current students. This school year will be filled with knowledge, excitement and fun. We are proud to announce the return of our monthly speakers coming to HCCA to enlighten our students about college choices, careers and life success stories. Our students will definitely be enriched throughout this entire school year.

To our students that are new to Hapeville Charter Career Academy: We are truly excited about you all joining our team. Hapeville Charter is a school that is fueled by our love for children in which is evidenced by us graduating 93.5% of our students over the last four years. We ask that our new students come focused, prepared and ready to learn here at HCCCA.

In closing, I hope that you all have time to join our Parent Teacher Community Organization (PTCO). A school that has strong family support is the perfect ingredient to having a successful school. Again, the hornet family welcomes you and looks forward to working with each and every family.

Sincerely,

Jannard Rainey
