HAPEVILLE CHARTER CAREER ACADEMY 2016-2017 UNIFORM POLICY

Hapeville Charter Career Academy 2016 – 2017 Uniform Policy

All Uniforms must be purchased from JR Clothing, Fayetteville, GA 770 461-3440

I. Purpose

The Hapeville Charter School's Board of Directors believes a safe and disciplined learning environment is the first requirement of a high performing school. The implementation of school uniforms will help minimize disruptive behavior, promote respect for oneself and others, build school/community spirit, and, more significantly, help to maintain high academic standards. The Board also feels that wearing of uniforms by students will help lessen the impact of socioeconomic differences. In addition, it allows for identification of intruders on campus and encourages students to concentrate on learning rather than on what they are wearing.

II. Information Dissemination

On a yearly basis, school officials will communicate with parents/guardians information concerning the uniform policy by using one or more of the following: newsletters, parent forums, PTCO meetings, Parent Advisory Council meetings and flyers and posters.

III. Appearance

In addition to being required to wear school uniforms, all students are to be groomed and dressed appropriately for school and school activities. A student's dress and/or appearance shall:

1. Support, not disrupt, the learning environment
2. Constitute no threat to health or safety
3. Be tasteful and unable to be construed as provocative or obscene
4. Reflect practices of good hygiene and cleanliness

- IV. Reasonable consideration shall be made for those students who, because of a sincerely held religious belief or medical reason, request a waiver of a particular guideline for dress or appearance. The waiver request shall be in writing from the parent or guardian and approved by the principal and/or principal's designee on an annual basis. In considering a waiver request, the principal and/or principal's designee have the right to request additional documentation from medical officials and/or religious leaders.
- V. Reasonable accommodation shall be made by the principal for students involved in special duties, activities, or projects approved by the school. This would include but not be limited to athletics, career and technical education, P.E. classes, special events, and other activities that require non-conforming dress on a school campus during a school-sponsored event.

VI. Financial Considerations

Parents and/or guardians who have concerns about the affordability of a school uniform should contact the school principal. The principal will assist the family with identifying community resources. The school system will not be responsible for funding uniforms for any students.

VII. School Uniform

The principal and/or principal's designee will implement the school uniform and appearance policy in a manner that is age and developmentally appropriate.

Good judgment in considering issues such as age, developmental stages, and body type are expected of all students, parents, and guardians in the selection of school attire and appearance. The manner of a student's wear of the school uniform shall be neat, clean, properly fitted, age-appropriate and suitable for the learning environment.
