Parents/Guardians of Hapeville Charter Career Academy,

This afternoon, the fire alarm was set off during the school day. Due to our continuous efforts of conducting fire drills our students did a great job evacuating the building in timely manner. Students were evacuated to their emergency locations where they stood with their teachers and classmates.

At approximately 2:55 pm law enforcement officials and administration deemed the building safe and found no threat of danger. The students returned to the school and were instructed to go to their 7th period class. Please note that no students were physically harmed during this situation.

The administration of **(Hapeville Charter)** and local law enforcement agencies are taking this event very seriously. If any one has information regarding the person(s) responsible for setting off the alarm, please contact the school immediately at **(404-941-1041)**.

Sincerely,

Ms. Henry
Associate Principal,
Hapeville Charter Schools
