## Board Report – April 2020

### FY 21 Enrollment Updates

As of April 20, 2020, HCMS is projected to have 603 students enrolled on the first day of school for the 2020-2021 school year. Based on data collected in previous years, this number is expected to decrease by about 15 students per grade level within the first 10 days of school.

Hapeville Charter Middle 2020-2021 Enrollment based on current enrollment	Applications	Accepted in Lottery	Projected Number	Waitlisted	Current	20-21 numbers
6th	310	200	200	110	0	200
7th	127	50	50	77	150	200
8th	94	83	50	44	153	203
Projected Total						603

### Grading Guidelines for Remote Learning Period

Fulton County Schools has issued grading guidelines that will be used in every course during the remote learning period. See a summary of these guidelines below. HCMS will use the Grading Flow Chart to determine promotion and retention once grades have been assigned. Retention meetings will be held with parents in May.

- Student performance before Remote Learning will be the driving criteria for promotion and retention.
- Students' grades will be held harmless as of March 12, 2020. If a student was in good standing and completes the digital learning assignments, he/she will be promoted to the next grade level.
- No zeros will be entered into Infinite Campus during the Remote Learning Period.
- Final grade reporting will reflect the following:
  - P – Pass
  - F – Fail (Summer School for ELA, Math, Science, Social Studies)
  - I – Incomplete (Summer School for ELA, Math, Science, Social Studies) NG – No Grade
- Students will be given an "I" for an assignment that has not been submitted or does not meet a passing grade.

Assistant Principal

- Students who have a lack of engagement during the virtual class and who do not complete 70% of the assignments will receive an “I” for the course and will be required to take it in summer school.
- Incompletes will not negatively impact students receiving special education services
- Students who do not clear the incomplete over the summer and are recommended for placement in the next grade level may be considered for the on-level version of the course. These cases should will be reviewed by the instructional leadership team on a case by case basis keeping in mind the student's performance prior to the remote learning period.

## **2020 Summer School**

Summer school for middle school will be online June 3<sup>rd</sup> – 15<sup>th</sup>. HCMS will offer summer school to all special education and ESOL students, students who received an “F” in any core subject, and students who received an “I” in a core subject. Current numbers of students that fall into one or both categories suggest we will need at least 8 summer school teachers to include general education and special education teachers.
