August 12, 2013

Dear Hapeville Charter Families:

This year, Hapeville Charter Middle School celebrates its tenth anniversary in the City of Hapeville. We are proud to be a part of the Hapeville community, and want our neighbors to be proud of the school. Hapeville Charter Middle School exists today due, in no small part, to the support and influence of the City of Hapeville.

The purpose of this letter is to remind you that Hapeville Charter Middle School is located in a neighborhood of businesses and homes situated along South Fulton Avenue, College Street and Atlanta Avenue. In fact, one of the homes directly across the street from the front doors of the school is an established bed and breakfast catering to local, national and international guests traveling to and from the Atlanta area.

Please be thoughtful of our Hapeville neighbors when dropping off or picking up your students. Being thoughtful includes being as quiet and respectful as possible in using your vehicle's horn, playing your radio, and closing car doors. Please refrain from throwing trash from your vehicle. Please observe all traffic and parking regulations. Our neighbors deserve the same respect as you would expect in your own neighborhoods and communities.

The Hapeville Charter Middle School administrators, faculty and staff are in the process of formulating a process for after school pickup. Our goals are to minimize the number of students standing on the sidewalks, for safety reasons; to improve the traffic flow; and to be the least disruptive as possible for our community.

During this school year, we will schedule Clean Up Days when local neighbors and our faculty, staff and students can work together to maintain a safe, clean community for everyone. I trust that you will consider volunteering when the events are announced.

Sincerely,

Marcia Lowe
Principal

Hapeville Charter Schools receive funding through the Federal Title I Program administered by the Fulton County School System
