Dear Hapeville Charter Community:

The Fall 2013 Term is flying by, and there are only six more weeks of classes before the term ends on Friday, December 20, 2013.

There is still a great deal of work to be done.

I want to express my appreciation to those parents/guardians who have already taken the time to complete the online Hapeville Charter Parent Satisfaction Survey. The Principals and I have started the process of reviewing the data. The results are already indicating areas where we are doing well, and areas where there is room for improvement. What we really need is for those parents/guardians who have not yet completed the online Hapeville Charter Parent Satisfaction Survey to do so over the next week. The more data that we receive, the better. To access the survey, which is accessible from the HCMS and HCCA websites, the steps are:

Step #1:

www.hapevillems.org or www.hapevillecharter.org

NOTE: if you have students at both schools (HCMS and HCCA,) it does not matter which website you access. The survey is the same for both schools, and the results flow into the same database for analysis.

Step #2:

The survey is displayed for completing.

We need and value your input and your comments. Please complete the survey, which will remain accessible through (and including) November 8, 2013.

Upcoming dates for your calendar:
