Good morning HCMS Parents!

Today we will have our holiday luncheon at both campuses in preparation for the Thanksgiving holiday! Also, there is a PTCO meeting at both campuses where information regarding educating students at home will be presented, as well as teachers will be present to briefly speak about curriculum and current progress reports which were sent home yesterday. The meeting will be held at both campuses and will begin at 5:30pm. We hope to see you there!

Have a wonderful Thanksgiving holiday!
