Qualifying Events

SHBP

Making Changes During the Plan Year When You Experience a Qualifying Event (QE)

Consider your benefit needs carefully and make the appropriate selection. The election made during 2018 Open Enrollment (OE) will be the coverage you have for the entire 2019 Plan Year, unless you have a Qualifying Event (QE) that allows a change in your coverage. You only have 31 days after a QE to add a dependent (90 days to add a newly eligible dependent child). For a complete description of QEs, see the Eligibility & Enrollment Provisions document available online at www.shbp.georgia.gov.

You may also contact SHBP Member Services for assistance at 800-610-1853.

QEs include, but are not limited to:
- Birth, adoption of a child, or child due to legal guardianship
- Death of a currently enrolled spouse or enrolled child
- Your spouse’s or eligible dependent’s loss of eligibility for other group health coverage
- Marriage or divorce
- Medicare eligibility
- Loss of Medicaid eligibility (excluding voluntary disqualification of coverage/ non-compliance/ failure to make payment)

Eligible Dependents*

State Health Benefit Plan (SHBP) covers eligible dependents who meet SHBP guidelines. Eligible dependents include:
- Spouse
- Dependent Child
- Natural child
- Adopted child
- Stepchild
- Child due to Guardianship

How to Declare a Qualifying Event (QE)

To declare a Qualifying Event, you must log on to the SHBP Enrollment Portal at www.mySHBPplan.ade.com or contact SHBP Member Services at 800-610-1853.

Note: You can declare a Qualifying Event (QE) in the SHBP Enrollment Portal on the day of, but no earlier than, the date on which the event actually occurs. For example, if your spouse loses his/her coverage with his/her current employer on November 29, 2018, you cannot declare the QE in the Enrollment Portal until November 29, 2018 (i.e., date of the event). If you do not declare the QE in the Enrollment Portal within 31 days of November 29, 2018 (i.e., date of the event), you will not be able to make your QE in the Enrollment Portal on a later date. When entering the QE in the portal, you must ensure that you enter the correct date of the event as this calculates the effective date of the change resulting from the QE. You may also call SHBP Member Services within the 31 days of the QE and the representatives will make the necessary changes for you.

If you elect to cover dependents, generally, they will be placed in a pending status until: 1) the required documentation is submitted within 45 days of the QE proving they are eligible for coverage, or 2) until the deadline to provide the documentation has passed, whichever occurs first.

To Change Your Decisions Outside of Annual Enrollment

Qualifying Life Event
In general, the Internal Revenue Service prohibits you from changing coverage elections, enrolling in or cancelling coverage under the Flexible Benefits Program, outside of Annual Enrollment. However, the rules of the Internal Revenue Service and the Employee Benefits Plan Council do permit you to change coverage, enroll, or cancel coverage in certain limited circumstances, if the change corresponds to a qualifying life event.

Your request for enrollment or a change in coverage under the Flexible Benefits Program must be entered on the GaBreeze website, or by calling the GaBreeze Benefits Center, within 30 days after the Qualifying Life Event (QLE). No refund of premiums will be issued if the change was not made within 30 days of the QLE and premiums were withheld.

The effective date for changes due to QLE depends on when it is reported to GaBreeze. For changes before the 15th of the month, the effective date is the first of the next month, (changes made September 7 are effective October 1). Changes made on or after the 16th of the month are effective on the first of the following month (changes made September 16, are effective November 1). For birth or adoption of a child, the effective date of the change will be retroactive to the date of the QLE.

To Change Your Decisions at Annual Enrollment

During Annual Enrollment, you can change your benefit elections based on which of the available options are best for you and your family. Remember, this is an annual agreement allowing the State to purchase selected benefits for you, as described in this booklet, through pre-tax premiums. (Note: Not all benefits are available on a pre-tax basis.) You will not be able to change benefit elections until the next Annual Enrollment – unless you have a qualifying life event, as described in the Terms and Conditions.

For new hires, if you have made your benefit elections on the GaBreeze website and wish to make a change within your 30-day enrollment window, you will need to contact the GaBreeze Benefits Center at 1-877-342-7339.

30-Day Window
If you have a Qualifying Life Event (QLE), the IRS allows you a limited period of 30 days to make changes to your flexible benefits. For birth or adoption, the effective date of the change will be retroactive to the date of the event. For all other QLEs, the effective date of the change is based on when GaBreeze is notified of the QLE change. If you do not make any changes within 30 days, you will have to wait until the next Annual Enrollment to make changes to your flexible benefits.

Examples of Qualifying Life Event (QLE)
- Marriage or divorce
- Birth, adoption, or legal guardianship
- Death of a dependent
- Loss of spousal coverage

For more information, see Terms and Conditions, pp. 39-40.
