Upgrading our Shopping Precinct

An updated Concept Plan was approved through council for the Blackwood District. We continue to lobby to progress the plan which, based on best practice urban design principles, community consultation and review of past studies and reports, guide future development in line with Council's strategic objectives for a Liveable City with 'a strong sense of place .. vibrant village centres and development that respects local character... the environment, heritage and enterprise'. This will address our need for improved shopping & community facilities, parking & open space.

BLACKWOOD BIKEFEST - The first of this local annual event to complement the Tour Down Under was held in 2015. We continue to lobby council to apply to host a formal stage in the Tour Down Under.

FRONT COVER PHOTOS

Clockwise from top left - Some of the personalities and events that helped shape life in the Blackwood district during 2016/17:

1. Trevor Conlon - awarded the Medal of the Order of Australia (OAM) to recognise his 50 years of service to the Coromandel Valley community - including the National Trust Coromandel Valley & Districts; *CoroAlive!175* program; and Coromandel CFS. Trevor's mission is to ensure the area's history and heritage is preserved for the public and future generations to enjoy.
2. James Roberts - one of Minda's longest serving employees in the area, was recognised for his 40 years of service at their 'Night of Stars' event. James, 64, admitted he is slowing down a bit now, however has no plans to retire just yet.
3. Ken Bock - you can't keep this good man down! After being pronounced 'clinically' dead on numerous occasions, he is still out there raising funds for organisations such as the Flinders Medical Centre Foundation and Prostate Cancer Research with his 'pink' and now 'blue' pigs - he has raised thousands of dollars thanks to the generosity of the Adelaide hills community.
4. Rhys Roberts - joint recipient of Mitcham Council Australia Day Citizen of the Year award for his 32 years of humanitarian service - through groups such as Lions Club of Blackwood; Mitcham Hills Lions Christmas Pageant; Blackwood Community Recreation Centre, Blackwood & District Memorial Hall; and Adelaide Hills Combined Community Clubs.
5. In 2016, Adelaide had received more rain up to July than for the previous 12 months in 2015 - the Winns Road ford in Coromandel Valley was often closed to motorists due to extensive flooding of the bridge crossing.
6. The mobile phone tower erected on Hewett Oval created a divide in the community for a number of reasons - some residents were pleased that they at last had phone reception; while others felt betrayed when additional transponders appeared on the tower without community consultation.
7. Blackwood shopping precincts and streetscapes are looking a lot 'greener' due to the efforts of Blackwood Action Group (BAG) volunteers. Inaugural members Geoff Bartlett and Nan Davies watering planter boxes in Main Road. If you want to find out more on BAG - got to www.blackwoodactiongroup.org.au
8. Local State Member, Sam Duluk MP, reviews the electorate boundary changes for the 2018 State election affecting the Blackwood district. Sam will be contesting the seat of Waite at the next election which now covers Blackwood and surrounding suburbs.
9. For the first time in the Blackwood Football Club's history, they entered a number of girls teams in a female league competition.
