“My favourite movies are directed by Guy Ritchie, such as *Snatch* and *Rock ‘n Rolla*. They are witty, and hip with a good plot twist. Who doesn’t like fun-loving criminals?”

Maison & Objet Americas

The Maison & Objet trade show began 20 years ago in Paris, showcasing design solutions, concepts, products and services from around the globe. May 12 and 13th was the much anticipated launch of the first ever Maison & Objet Americas in Miami and I was fortunate to be able to attend. I was not disappointed with the numerous educational seminars and wonderful products I saw. You can see a fabulous selection of my favourite pieces on my blog at CanadianHomeTrends.com/EvelynEshun! - Evelyn Eshun

Canadian Furniture Show 2015

As one of the design spotters for the 2015 event, I walked the floor with a sharp eye discovering new and unique styles and putting my stamp on items with a card provided by show management. Visit my blog for more of my favourites at www.CanadianHomeTrends.com/EvelynEshun - Evelyn Eshun

Modani Opening Night Party

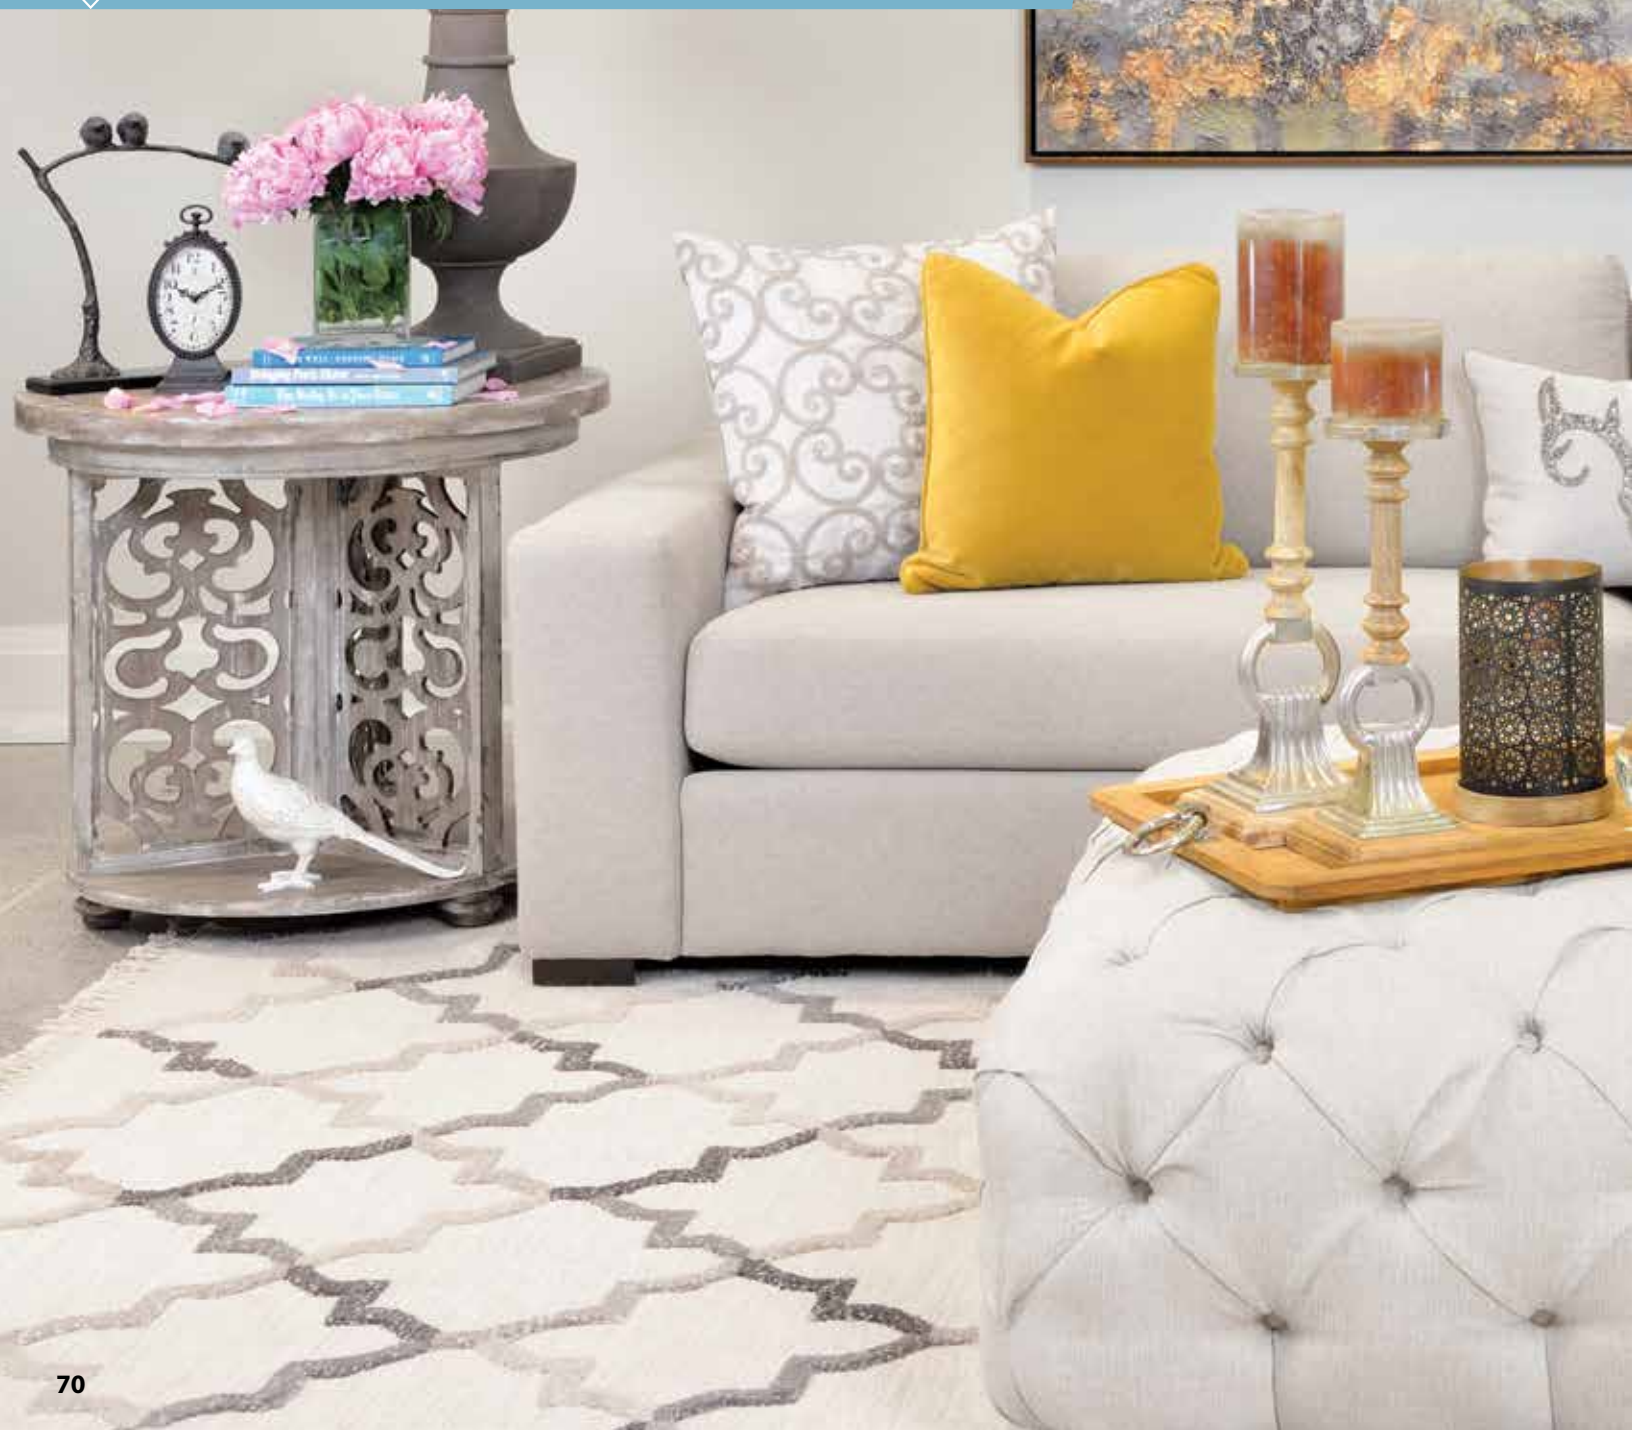

Modani hosted a Wine, Dine and Design grand opening event at their loft-style showroom in the Castlefield design district. - Evelyn Eshun.

Evelyn's DOUBLE TAKE

Design and Event Editor Evelyn Eshun visited the Zilli Home showroom and designed two different looks using a neutral fabric sofa with clean lines.

family

THE GOAL To create a family-friendly space without sacrificing style.

THIS DISTRESSED WOOD SIDE TABLE with detailed fretwork has an area for added storage or display.

AN UPHOLSTERED OTTOMAN with tufts is used in place of a coffee table. It is perfect for additional seating.

THIS AREA RUG is casual, soft and timeless. It is the perfect addition underfoot to make this space comfortable and cosy.

A CASUAL, CONTEMPORARY PAINTING adds pattern and colour to the space.

formal

THE GOAL To create a formal space ready to entertain guests.

THE USE OF BRUSHED GOLD metal finishes to accent this look brings instant glamour and formality to the space.

AN ART DECO STYLE SIDEBOARD is used as a bar beside the sofa.

THIS SOPHISTICATED COCKTAIL TABLE made of wood and trimmed with brushed gold metal is a glamorous centre-piece in this space.

LAYERING A COWHIDE RUG on this monochromatic damask area rug makes a statement.

PILLOWS add glamour and texture to the clean lines of the sofa.

EXOTIC AND UNIQUE ACCESSORIES bring interest to the space.

STYLISH THROW BLANKETS look great and can be used when taking a nap on the sofa.

BLACK is as perfect in interior design as it is in fashion. In this room, it adds an unexpected glamorous touch.
