

## **Breast Cancer Awareness Month In NY**

October 8, 2017 8:00 AM

It's time to think pink and support Breast Cancer Awareness Month. From restaurants to retail, there are special offers benefiting numerous foundations looking to find a cure for breast cancer. New Yorkers can be a part of the pink fight by patronizing the following businesses.

### **The Regency Bar & Grill**

540 Park Ave.

New York, NY 10065

212-339-4050

There is a good reason to order dessert at The Regency Bar & Grill throughout October. Whether you're there for brunch, lunch or dinner, end the **meal** with the **Rose Petit Cake from Bon Vivant New York**. The sweet **treat** raises awareness for breast cancer by donating 10 percent of the proceeds to the Susan G. Komen Foundation. Satisfying anyone's sweet tooth, the dessert is a liqueur-laced vanilla caked layered with sweet rose flavored buttercream. Topped with a German almond marzipan, the cake is dipped in a rose glaze and adorned with an edible gold leaf and sugar rose bud.
