

# // Cooking Channel: Photo Gallery

Version 1.7 | Created June 22, 2009 | Modified June 4, 2010

## Changed History

Page # Page Description

### Version 1.4 | April 9, 2010

- Reconciled photo galleries with other brands

Page # Page Description

### Version 1.5 | May 18, 2010

- Added back the “Explore More On...” module to all versions of the pages

Page # Page Description

### Version 1.6 | June 4, 2010

- | Page #  | Page                  | Description  |
|---------|-----------------------|--|
| 5       | Thumbnail Overlay     | • states for pagination have been created for thumbnail overlay  |
| 8       | Loading & Error State | • Added designs for loading and error states when navigating between photos  |
| 6 & 7   | Interstitials         | • Showed both interstitial ad with 300x250 and without   |
| 10 & 11 | Vertical Images       | <ul style="list-style-type: none"> <li>• Showed layout of vertical image</li> <li>• Showed use case of vertical image when expanded</li> </ul> |
| 9       | End Frame             | <ul style="list-style-type: none"> <li>• Defined properties of items in end frame</li> <li>• moved sharing options to the right</li> </ul>     |
| 12      | Featured In           | • Defined display for the various assets that can be included in Featured In module  |

Page # Page Description

### Version 1.7 | June 4, 2010

- | Page # | Page       | Description                  |
|--------|------------|------------------------------|
| 16     | 300x600 ad | • showed layout with 300x600 |

## Appalachia: Crème de la Crème

If you listen to the ethnocentric pop culture Mandarins you would think the Appalachian Trail is littered with this hill country iconography. It's not.

**A Vertical Photo - Small Size**

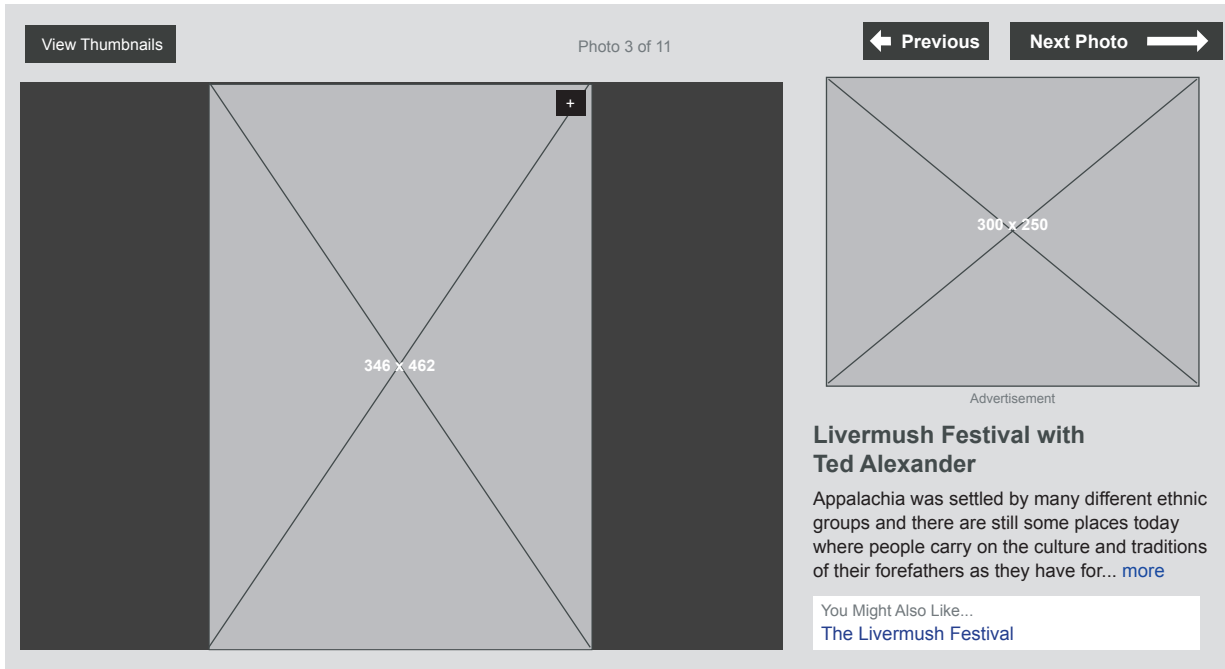

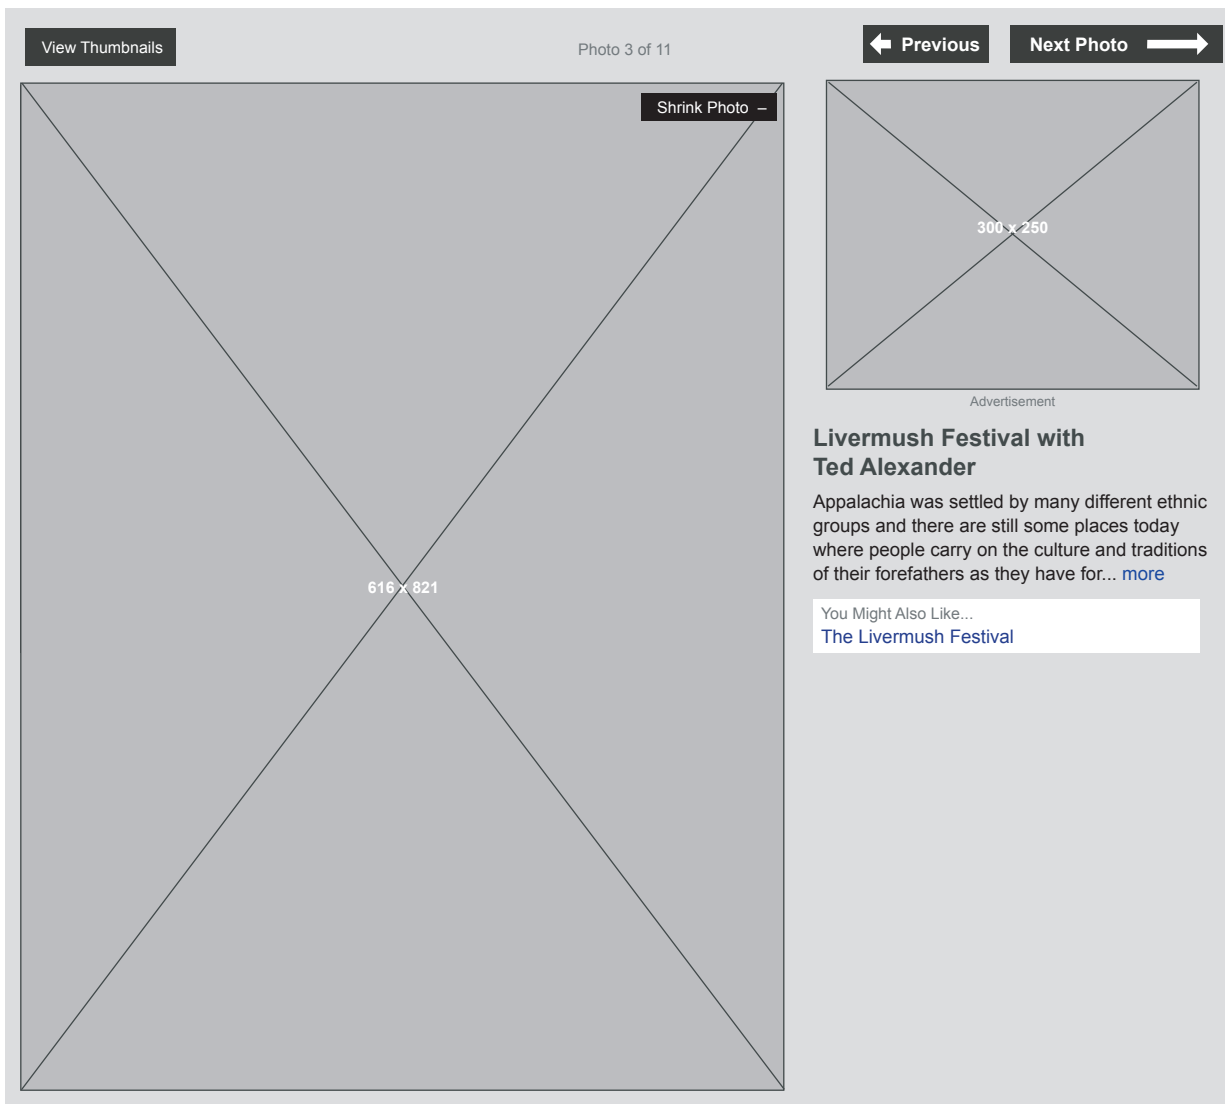

Image has a transition as it scales up and down.

**B Vertical Photo - Enlarged**

**A Vertical Image - Small Size**

In order to keep a full vertical image on one screen, vertical images should be scaled proportionally down to the same height as the horizontal image. The user can see a larger vertical image by clicking the “+” Enlarge button.

Clicking this button increases the scale of the vertical image to have the same width as the horizontal image.

There is a scaling transition between states.

**1. Enlarge Button**

**2. Enlarge Button on Hover**

**B Vertical Image - Large Size**

The large image is displayed at 100% (616x821). Enlarging the image pushes the content below it down.

The enlarge button then becomes the shrink button.

**1. Shrink Button**

**2. Shrink Button on Hover**

### Breading The Chicken

The quality of your egg wash is really important to make the breading stick properly.

## Appalachia: Crème de la Crème

If you listen to the ethnocentric pop culture Mandarins you would think the Appalachian Trail is littered with this hill country iconography. It's not.
