## **Behnke Landscape Architecture is a Proud Sponsor of RiverSweep 2016**

Cleveland, Ohio: **BEHNKE Landscape Architecture** is involved in the design and construction of many of the areas in Cleveland's Flats which is why we are proud to be a sponsor and volunteers to help clean up this great area.

On Saturday May 7<sup>th</sup>, 2016 Canalway Partners will host the 27<sup>th</sup> Annual RiverSweep. Each year hundreds of volunteers from across the community team up to beautify the Cuyahoga River Valley in Ohio's largest done-in-a-day cleanup event. The impact of RiverSweep on the community is undeniable. New parks and trails have emerged in areas formerly targeted for illegal dumping.

**CANALWAY PARTNERS MISSION STATEMENT** .... To create a park system that follows the route of the historic Ohio Canal from Cleveland through Zoar to Dover/New Philadelphia by promoting historic preservation and interpretation expanded recreational opportunities and sensitive economic developments.
