Message From The Executive Director

In as simple a way as I can find, 2019 was about “walking and chewing gum” at the West Side Catholic Center. I think it is easy to think that by adding onto or changing something, we lose who we are. This might happen sometimes for some people or places. I would contend that the challenges and discomfot that occur as a result of this adding and changing can lead to significant growth.

So in 2019, WSCC embarked on a rather noticeable and striking change by adding a social enterprise, the Ohio City Pizzeria. We developed partnerships, learned a lot, sold a lot of pizzas and pastas, were challenged by worlds we hadn’t yet known, and in the end, developed something designed to provide a good product for an even better cause.

This endeavor challenged our collective capacity for teaching and learning, and challenged all of the things we already do to some extent. My sense has remained that we were able to do both things at a high level. New and old. Walking and chewing gum.

But my hunch really isn’t enough. In 2019 we also pushed to have data be a better driver for our organization. So that everything we do is backed first by mission and second by understanding outcomes. In this year full of new additions, I’d say we still did the “old favorites” quite well. 8,221 total clients served, 47,830 meals provided, 96% of workforce grads placed in jobs, 326 people receiving shelter, 743 children served through family engagement, 1,116 health services provided and 83% of Zacchaeus clients showed improved self-sufficiency scores. These are quick numbers, and yet so much staff and volunteer effort backs them. Our people showed up, as they always do.

And our Ohio City Pizzeria? In just 5+ months it had $160,908 in sales, with sixteen individuals who were either in re-entry or our workforce graduates receiving a total of $95,765 in salaries and benefits. We still have so much to learn, and yet, we acknowledge the heavy lift it has already taken to get to this point.

While 2020 will prove to have its own challenges, I know that we will be better for having worked through so much together. I will never cease to be amazed by our incredible volunteer and donor community as well. You have trusted us as caretakers of an incredible idea in 1977 that continues to grow, thrive and yes, change up to this very day. Thank you for walking and chewing gum with us!

Gratefully,

John Litten
Executive Director

Ohio City Pizzeria

Great Food
Great Service

Ohio City Pizzeria, reimagined and reborn under the guiding hands of John Litten, Executive Director of the West Side Catholic Center and Brandon Chrostowski, founder of EDWINS Leadership & Restaurant Institute, is a quality, traditional, Italian restaurant serving good food to good people in the heart of Ohio City. We carefully source, prepare and cook all our ingredients, choosing locally and organically whenever possible... and always thinking about our rich Italian heritage.

We offer and lovingly prepare a complete and thoughtful menu for lunch, dinner and after hours, including appetizers, pizzas, pastas, sandwiches, entrees, salads, desserts and a full bar.

A Great Cause

As a nonprofit LLC, Ohio City Pizzeria is also dedicated to the community-at-large – including all who need special support. Through our unique partnership with the West Side Catholic Center, we are able to provide on-the-job training for those seeking essential work skills, and serve as a source of funding to help the Center fulfill its mission: to serve people in need of food, clothing, shelter, advocacy and a path to self-sufficiency.
