**FEATURED RECIPE**

**Maple-Glazed Brussels Sprouts**

**Ingredients**

- 2 lbs Brussels sprouts, trimmed and halved lengthwise
- 4 Tbsp olive oil
- 1/4 cup maple syrup
- 2 Tbsp unsalted butter
- 2 Tbsp chopped fresh parsley
- 1 1/2 Tbsp fresh chives, thinly sliced
- 1 Tbsp fresh sage leaves, thinly sliced
- Salt and pepper, to taste

**Directions**

1. Heat 2 Tbsp olive oil in a large skillet over medium heat. Working in 2 batches, and adding 2 more Tbsp oil between batches, cook sprouts until deep golden brown (4-5 minutes). Season with salt and pepper and continue cooking until tender (3-4 more minutes). Transfer sprouts to a bowl.

2. Remove pan from heat and add maple syrup, butter, and herbs. Once butter has melted, return sprouts to pan and toss to coat.

Harvest of the Month is a farm-to-school campaign that promotes the use of local, seasonal foods. Jake's Quechee Market has taken the pledge to celebrate local produce both inside and outside our store. We are collaborating with local farms to offer you the freshest and most seasonally available local produce. You'll see one item featured both in the produce section as well as in our prepared foods department.
