# FEATURED RECIPE

## Penne with Swiss Chard and Garlic

- Ingredients:**
- 1 pounds Swiss chard, stems cut from the leaves and stems and leaves chopped separately
  - 1/8 teaspoon dried hot red pepper flakes or to taste
  - 2 large garlic cloves, sliced thin
  - 2 tablespoons olive oil
  - 1/2 cup water
  - 1 cup drained canned tomatoes, chopped
  - 1/2 pound penne or other tubular pasta
  - 1/2 cup grated Parmesan cheese, plus addition as an accompaniment

- Directions:**
- Rinse and drain the Swiss chard stems and leaves separately. In a large heavy skillet cook the red pepper flakes and garlic in the oil over moderate heat, stirring, until garlic is pale golden. Add the stems and 1/4 cup of the water. Cover and cook the mixture for 5 minutes or until the stems are just tender. Add the leaves with the remaining 1/4 cup water and salt and pepper to taste and cook the mixture, covered, for 5 minutes. Stir in the tomatoes and cook the mixture, covered, for 3 minutes, or until the leaves are tender. While the chard is cooking, in a kettle of salted boiling water, boil the penne until it is al dente and drain in a colander. In a large bowl toss the penne with the chard mixture and 1/4 cup of the Parmesan and serve with additional Parmesan.

Harvest of the Month is a farm-to school campaign that promotes the use of local, seasonal foods. Jake's Quechee Market has taken the pledge to celebrate local produce both inside and outside our store. We are collaborating with local farms to offer you the freshest and most seasonally available local produce. You'll see one item featured both in the produce section as well as in our prepared foods department.
