Dear Parent/Guardian:

Thank you for your interest in Community Christian School. In order to predict the suitability of our academic program for the needs of your child, our Educational Services Department will need to review the items listed below.

The goal of Community Christian School is to partner with Christian families as we seek to provide a Christ-centered, quality education firmly grounded in the Word of God. A personal faith in Jesus Christ, as well as a commitment to faithful involvement in a local church are essential components of that partnership.

In order to provide a spiritually and academically rich educational environment, CCS reserves a limited number of spaces at each grade level for students with various learning challenges. Further, limitations of space and staff often require CCS to cap grade levels and programs that have reached capacity.

Please return this form with the items listed below. ***(These documents will not be reviewed until all required items and fees are received.)*** You will be contacted by school personnel as soon as the Educational Services Committee has reviewed your paperwork.

- _____ Pastor Reference Form (available on CCS website- admissions tab)
- _____ I have read CCS's Statement of Faith and Parent/Student Handbook (see CCS website- admissions tab)
- _____ Academic Reference Form (on CCS website admissions tab- complete by your child's teacher)
