

Online giving is here!

Follow these simple steps and you will be on your way!

1. Log in to our site: <https://secure.accessacs.com/access/memberlogin.aspx?sn=10751>
2. On your first log in, click on “need a log in”. Enter your email address you provided for us in our directory update.

3. Follow the link on the email you receive to set up your username and password.
4. Once logged in, click on “Give Now”. You can choose to make a one time gift or set up a recurring gift. (Note that recurring gifts can be changed at any time.)

5. Enter the total amount you wish to give. If you plan to make a contribution to multiple funds (i.e. Budget and It's Time) you need to enter the combined amount on the first screen.

The screenshot shows the 'Give Now' section of the online giving portal. The 'Gift' step is highlighted with a '1' in a circle. Below the step indicator, there are fields for 'How much would you like to give?' (with a value of 100.00), 'How often would you like to give?' (with 'One Time' selected), and 'When would you like to give?' (with a date of 9/16/2013). A 'Continue >>' button is visible at the bottom right.

6. On the following screen, designate the accounts in which you would like your money deposited.

The screenshot shows the 'Funds' step of the online giving process, highlighted with a '2' in a circle. It lists several funding options with input fields for amounts and optional descriptions:

BUDGET OFFERING	75.00	Optional Description
It's Time Campaign	25.00	Optional Description
STATE MISSIONS	\$0.00	
Food Closet	\$0.00	
MEMORIAL GIFTS	\$0.00	

Below the table, it states '\$0.00 of \$100.00 Remaining'. A '<< Back' button is on the left and a 'Continue >>' button is on the right.

7. In Step 4, indicate which method of payment you would like to use. You can save this for future use.

8. In Step 5, you will confirm your information.

9. After you click submit, you will receive a message indicating your gift is being processed. Please allow one business day to see your updated account information.
