Betty Carhart was one of our club's founding members, in fact the club is named after her racing team's name. Betty passed last year on November 17, 2012. Long after Betty retired from sled dog racing, she continued to help out the club. She served as Treasurer for many years and took entries for the MASDRA races that JSSDRA sponsored. And it was great to go out on Trail Help with her because you got to ride in her truck and stay warm!

We celebrate her legacy and memory with this race.

### **Come Join Us on the Trails in the Pine Barrens**

Trails are mostly wooded dirt/sand roads/fire trails in the forest. No head on passing.

Distances may vary based on weather and/or trail conditions.
