Recycled Leather & Furniture and Table Tops

EcoDomo recycled leathers combine natural elegance, value and performance. Contact us to substitute wood, leather or vinyl for EcoDomo leathers.

EcoDomo recycled leathers are designed to withstand heavy use in commercial environments. Add a touch of sustainable luxury in desks, restaurant table tops, vanities, or bars. Easy to fabricate by millworkers.

Our leathers can be customized for color, texture, stitching, and can come pre-laminated on HDF. Available in veneer 4'x8' sheet size, 2 mm rolls, and 3 mm sheets and tiles. Maintain like wood with wax and pH neutral cleaners. Made in the USA.
