Commitment to Financial Arrangements

Payment is due at the time of service. We believe that we have the responsibility to use the best professional care, skill, and judgment in planning and delivering your dental treatment. Your payment will reimburse us for our services and is due the day the treatment is rendered. Please refer to our written financial policy for a more detailed explanation of our financial arrangements. Your agreement to fulfill your financial commitment to our office promptly and completely is expected and appreciated.

Commitment to Appointment Policy

An appointment in our schedule is a bond of trust that we will be here to serve you and you will be present for treatment. **Should you need to cancel an appointment, we ask the consideration of 24 hours notice.** Our office policy is firm in this regard and we appreciate your early notice for cancellations. A fee may be assessed for missed appointments and will depend on the amount treatment time scheduled. No future appointments will be scheduled for patients who miss more than 2 appointments without calling in advance. We thank you in advance for your help in this matter!
